**Company/Organization:** Manomet

**Number of Employees:** 35

**For-profit/ Nonprofit:** nonprofit

**Category:** Workplace

**Challenge or Opportunity:**

Deeply engaging small business owners and a broad selection of college students on practical businesses sustainability.

**Approach or Solution:**

We created a program where college interns learn professional skills & about small business TBL sustainability, and survey small businesses on their sustainability practices. Interns defend a case study and sustainability recommendations for one businesses. Small business receive a short analysis highlighting practical sustainability suggestions.

**Impact:**

22 Interns understand small business sustainability & 197 small businesses engaged to action
