**Company/Organization:** Throwback Brewery

**Number of Employees:** less than 100

**For-profit/ Nonprofit:** for profit

**Category:** environment

**Challenge or Opportunity:**

TBB has taken on the challenge of sourcing 100% of their beer ingredients from within a 200-mile radius & the same goes for their pub. They source ingredients from local farmers and have a hop yard, vegetable garden, & animals on site.

**Approach or Solution:**

They source ingredients from local farmers and have a hop yard, vegetable garden, & animals on site.

**Impact:**

TBB has played a big role in the burgeoning local food scene on the Seacoast & has become a fixture of the community. They bring their product full circle-feeding spent grains from beer production to pigs or incorporating into baked goods served in the pub.
