Session Ideas Deadline Friday, October 31

Planning is already underway for the 2009 NHBSR Spring Conference to be held in late May 2009. In addition to an opening keynote address, luncheon discussion circles and member exhibitors, the NHBSR annual conference features **six educational breakout sessions on social and environmental issues facing New Hampshire businesses.**

Being considered as a Spring Conference Presenter is a benefit of NHBSR membership. Members may be considered to be a 2009 Spring Conference Session Presenter through a simple one page 'idea submittal' process. **The deadline for the submission of ideas is Friday, October 31st, 2008.** In one page, please include the following;

- *Suggested Spring Conference Session Working Title/Topic
- *Featured Speaker Names and Titles
- *Topic Description
- *Who Is The Session Geared For
- *What the "Takeaway" is For Participants

Co-Presenting with another member company on a CSR topic that you have complimentary expertise is encouraged. Please email your idea suggestions to molly@nhbsr.org by this Friday, October 31st. All ideas will be considered by the Spring Conference Committee on Monday, November 3rd at the kick off planning meeting. Those that are selected will be contacted by a member of the committee to discuss session development. Questions regarding the process may be directed to Molly Hodgson Smith at molly@nhbsr.org.

NHBSR's annual Spring Conference offers members an opportunity to publicize CSR best-practices to like-minded businesses allowing companies to connect around CSR issues and learn ways to become more environmentally sustainable, improve workplace culture, support local communities, all while boosting the bottom line.

We look forward to hearing from you.
