### Only A Week Left To Submit Your Webinar Proposal

**Being a Webinar Presenter is an exclusive benefit of NHBSR**

**membership.** Members may apply for consideration to be a 2009 Webinar Series Presenter through a simple proposal process. **The deadline for the submission of proposals is September 19, 2008.** Proposals should include the following; Webinar Title/Topic, Featured Speaker Names and Titles, Webinar Topic Description, Who Should Participate, What the "Takeaway" is For Participants, Your Organization's Logo (if applicable) and Picture of Presenter(s).

Co-Presenting with another member company on a CSR topic that you have complimentary expertise is encouraged. For example; two event management companies could collectively address "Green Event Planning" or two companies that have issued successful CSR Reports could provide "Top Ten Tips of CSR Reporting."

Completed proposals should be emailed to [mmahoney@paxworld.com](mailto:mmahoney@paxworld.com). Selected applicants will be notified of their selection by September 23, 2008. Those that are selected will be contacted by a member of the Webinar Committee to discuss webinar development. Questions regarding the process may be directed to Molly Mahoney Betournay at [mmahoney@paxworld.com](mailto:mmahoney@paxworld.com).

NHBSR's NewWebinar Series offers members an innovative opportunity to publicize CSR best-practices to like-minded businesses in a real-time, interactive forum allowing businesses to connect around CSR issues and learn ways to become more environmentally sustainable, improve workplace culture, support local communities, all while boosting the bottom line. Participation is FREE. Webinars will take place on the **second Wednesday of each month at noon**. An internet connection and phone are all that required.
