

NHBSR Go On Tour Sponsorship Opportunities

The "Go On Tour" Series provides the opportunity for the New Hampshire business community to learn about another business' approach to sustainability. It allows NHBSR member companies the opportunity to highlight specific leadership or change efforts in their business and share environmentally and socially responsible initiatives and the benefit generated for the company and its stakeholders.

Go On Tours always offer a networking component and light refreshments are provided by the host, allowing attendees to connect with like-minded professionals. Typically between 25 and 50 business professionals attend. "Go On Tours" are FREE to NHBSR members and have a small fee for non-members.

The Go On Tour Series Sponsor will receive recognition and promotion via...

- Company logo and link featured on
 - The Go On Tour webpage
 - 1,500 e-invites for each tour
 - All email reminder correspondence
- Company recognition in Go On Tour press releases

- Series Sponsorship recognition at each tour
- Invitation to address the audience and distribute literature at each tour
