

NHBSR Social Sponsorship Opportunities

These evening receptions are held annually in the late fall and celebrate the sustainability efforts of the New Hampshire business community. Socials are dynamic events, in the past including short keynote addresses delivered by a member company sharing a compelling story of their journey toward sustainability or speed networking or interactive tours, but always includes fine food & drink, local entertainment and great raffle prizes!

The Presenting Sponsor's logo is included on the Member Social webpage, 1,500 e-invites, and all email reminder correspondence. The Presenting Sponsor's banner is also hung at the event. Nearly 100 business professionals attend. Sponsors may address the audience and distribute literature at the event. The Presenting Sponsor's company name is included in all press releases and marketing efforts.

Presenting Sponsor: \$1,000

Event Sponsor: \$500

Refreshment Sponsor: \$500*

Contact [Michelle Veasey](#) to discuss this opportunity.
