

Company: EBSCO

Contact: Megan Mantzekis, mmantzekis@ebSCO.com

Challenge: to empower homeless/low income to gain 21st century works skills from our database that was a donation from the CEO of our organization.

Approach: provided complimentary access to Lazarus House Ministries to gain real work life skills from EBSCO's workforce skills for 21st century database.

Impact: impoverished people are gaining computer skills that allow for them to get into the workforce and better their life.
