**Company/Organization:** Jack's Pizza

**Type of Organization:** For profit business

**Number of Employees:** 17

**Category:** Workplace

**Challenge or Opportunity:** Lack of college preparation and assistance in our economically challenged high school.

**Approach or Solution:** We partnered with UNH college students to provide informative monthly virtual conversations with college students to our high school students and youth interested in college.

**Impact:** Program is still too new to tell but our student workers are actively receiving time sensitive information they would not other receive if this initiative did not exist.
