## **New Hampshire Businesses for Social Responsibility Announces Inaugural NH Sustainability Awards**

**Concord, New Hampshire** –New Hampshire Businesses for Social Responsibility is celebrating their 20th Anniversary by launching the inaugural NH Sustainability Awards. This event will be held at Southern New Hampshire University’s Robert Frost Hall in Manchester on March 4th from 5:30 PM - 8:30 PM. NHBSR invites members, community partners and anyone interested in advancing sustainability in and around the Granite State.

The NH Sustainability Awards will honor businesses, students and individuals who have had a demonstrated leadership in community, environment, governance, and workplace efforts. The event will feature recognition of a Cornerstone Innovator. The Cornerstone award itself has been presented annually for the last thirteen years to a business or individual that exemplifies the concepts of corporate social responsibility within their organization and promotes the concepts of corporate social responsibility to the greater business community within the State of New Hampshire. The Cornerstone Innovator will recognize a previous Cornerstone winner that continues to elevate their sustainability impact within the state.

*2020’s NH Sustainability Awards Finalists include:*

36creative, BerryDunn, Casella Resource Solutions, Dr. Fiona Wilson, Hanover Co-op Food Stores, Hypertherm, Image 4, Mascoma Bank, MegaFood, Monadnock Paper Mills, ReVision Energy, Stonyfield, Timberland, W.S. Badger, Wire Belt Company of America

Attendees will have great opportunities to connect with these sustainability leaders and each other throughout the night. Food and drinks will be served during the networking reception of this *green carpet* event and the evening will be full of surprises!
