

All non-profit members of NHBSR are invited to apply to @Web Site Publicity's Pro Bono Partnership. Each year NHBSR will select one non-profit organization to be the recipient of a one-year Search Engine Optimization contract (description attached).

WHY

Like most people, the staff of @WSP likes to feel we are, in some small way, helping the world be a better place. In addition to offering pro bono services to select non-profits each year, we provide our expertise and services to additional non-profit organizations at a discounted rate. We believe NHBSR is a perfect vehicle for offering our services to help NH non-profit organizations enhance their online reach.
