## **NHBSR's 2022 Sustainability Slam Winners Selected**

Derry, New Hampshire, November 8, 2022 – Leading sustainability initiatives took front and center stage at New Hampshire Businesses for Social Responsibility's (NHBSR) 8th Annual Sustainability Slam on November 3, 2022. The event, held at LaBelle Winery in Derry, showcased creative and innovative solutions to our environmental and social challenges through dynamic storytelling.

As part of NHBSR's Just One Thing Campaign, the Sustainability Slam recognizes the efforts of local companies and nonprofits to make a positive difference in our world. The 2022's Slam finalists were chosen by an independent panel of judges based on the impact and scalability of their stories in our communities, workplaces, and environment. At the Sustainability Slam, finalists competed in their category by delivering a 90-second presentation or pre-recorded videos. Winners were selected by a live poll at the event.
