Upcoming Social in Keene Promotes Sustainable Business-to-Business Connections

Keene, NH (January 29, 2013): New Hampshire Businesses for Social Responsibility (NHBSR) is making it convenient – and fun – for sustainably-minded businesses in the Keene area to connect with one another. Residents of the Monadnock region will have the chance to enjoy great food, new connections, and inspiring conversation at NHBSR’s next Member Social on February 6 in Keene. The host for this event is the Courtyard by Marriott in downtown Keene, and attendees can tour their new LEED-certified, NH Environmental Champion hotel!

NHBSR’s member socials allow New Hampshire professionals to connect with one another and learn about sustainability initiatives throughout the state. Previously held annually, NHBSR’s member socials are now held quarterly, thanks to support from Small Dog Electronics. Quarterly socials provide greater opportunities for professionals to develop and strengthen meaningful connections within the NH business community.

“Many of our member businesses are encountering similar opportunities and challenges on the topic of sustainability. The socials give people a chance to get together, have fun, and exchange ideas. The importance of the evening is not limited to the ideas that are shared, but also the relationships that are developed allowing business people to reach out to each other outside of NHBSR events for advice, business opportunities and support.” says Michelle Veasey, Executive Director of NHBSR.

This Social is made possible by the sponsorship support of Small Dog Electronics, Northeast Delta Dental, Antioch University New England, and Colwen Hotel Management.

Event details: The Member Social will take place on February 6, 2013 at the Courtyard by Marriott (75 Railroad Street Keene, NH 03431) from 5:30pm-8:00pm. The host for the event is NHBSR member Colwen Hotel Management. Registration is \$15 for NHBSR members and \$35 for not-yet-members. Non-members are welcome to attend. Registration details are available online at www.nhbsr.org, or by calling (603) 391-7437.

ABOUT NHBSR

New Hampshire Businesses for Social Responsibility is a member-based non-profit organization that fosters socially and environmentally responsible business in New Hampshire, realizing that people, principles and profits must be linked. More information on NHBSR can be found at nhbsr.org.
