

# IN GOOD COMPANY

We Are NH Businesses for Social Responsibility

## We Convene

a robust network of businesses and their diverse stakeholders that share a desire to "do well and do good."

## We Support

businesses and their change agents to move from ideas to action.

## We Inspire

business practitioners of all levels of experience through shared storytelling and best practices.

## We Lead

with our values because we know that we all must be the change we want to see in the world.

### GOALS

#### Movement Building

Broaden and deepen participation from the business community in the adoption of sustainability and corporate responsibility practices.

#### Education

Deliver programs that encourage and enable learning, expand thinking and inspire innovation and collaborative action.

#### Community Impact

Catalyze the power of business to positively impact our communities because stable, strong and healthy communities breed successful businesses.

#### Leadership

Amplify and share how leading businesses are living their values, cultivating human potential and producing healthy bottom-line values.

#### Advocacy

Encourage and enable corporate voices to address issues of shared concern in our state and communities leveraging partnerships with individuals and organizations whose work aligns with our vision and values.

## Our Vision:

New Hampshire will thrive when we engage the power of business and our people to build a sustainable and prosperous state for all.

## Our Purpose:

**Bring** together diverse professionals engaged in sustainability.

**Meet** participants wherever they are on their sustainability journey.

**Foster** dialogue and help build meaningful connections to move the sustainability needle.

**Inspire** positive change in our communities, workplaces and environment.

**Provide** resources, knowledge and services to support corporate social responsibility and sustainability.
