

# JUST ONE THING

**Title:** School Community Partnerships in Franklin

**Company/Organization:** Educating for Good

**Type of Organization:** For profit

**Number of Employees:** <100

**Category:** Community

**Challenge or Opportunity:** A How do we build authentic school community partnerships that are meaningful, manageable and support student success?

**Approach or Solution:** A schedule at the high school created the conditions for more community partnerships. Thinking about time differently allowed students more opportunity to engage in learning experiences they were interested in.

**Impact:** From 2023 to 2024

- 50% decrease in discipline
- 500% increase in off campus learning excursions
- 400% increase in dual enrolment credits
- Fewer failures
- Students have more pride in their school.
- Community has a more positive view of the school.
